સાયુ સમૃદ્ધિ બિતીલ TESOL એ ભરતમાં હિંદુ માટે વ્યવસાય આપો દેખાયા

“નીચે કરશે તમને તમારા TESOL Teaching Career”

For the first time in India, a **Teacher Education Program** that is accredited, articulated and certifies you to be at par with International ESL / ESOL teacher. The PCES (70 hour), CES (150 hour) and ACES (250 hour) courses in TESOL qualification prepares you for highly competitive advanced teaching jobs. Unlike a basic TESOL certificate offered elsewhere that teaches you how to teach English as a foreign language, the ACES in TESOL explores further and gives you more insight into why certain practices are used to teach English in a particular manner.

TESOL qualification helps you to gain an understanding of following aspects

- How language is acquired.
- Effective methodologies used to teach English.
- English phonetics and phonology
- How to use teaching aids and other materials to teach English.
- Admissions through assessment test.
- Fees can be paid in installments.
- Course delivery via postal education.
